

CornellResearch

Research Administration Support System (RASS)

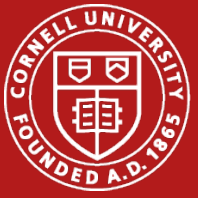

- Current & Pending
- Reporting with RASS
 - Explore Ithaca Awards
 - Ad Hoc Reporting
 - RASS Data Warehouse

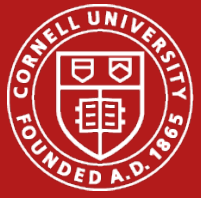

RASS Current & Pending Management

- Save time by reducing manual repetitive effort
- Decrease frustration by improving data quality
- Eliminate the need for shadow systems

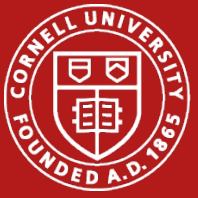

RASS Current & Pending Management

- Create and manage data all in RASS
- Capture data based on sponsor guidelines
- Ability to adjust and maintain effort
- Support for non-OSP projects
- Ability to quickly remove not funded projects
- Provide sponsor templates

RASS Reporting

- Searching in RASS
- Non-Financial Agreements
- Explore Ithaca Awards
- Ad Hoc Reports
 - Inactive Records
 - Sub Awards
 - Deliverables
 - Coming Soon: Award Events/Actions

Other reporting with RASS data:

- Award Financials
- Metrics Dashboard
- Research & Scholarship Dashboard
- Standardized data sets & RASS Datamart
- RA Dashboard (for projects not transferred to RASS)
 - Note: RASS has all projects active since July 1, 2013
