# Research Administration Support System (RASS)

- Current & Pending
- Reporting with RASS
  - Explore Ithaca Awards
 - Ad Hoc Reporting
- In other RASS news

RASS Current & Pending Management

- Save time by reducing manual repetitive effort
- Decrease frustration by improving data quality
- Eliminate the need for shadow systems

RASS Current & Pending Management

- Create and manage data all in RASS
- Capture data based on sponsor guidelines
- Ability to adjust and maintain effort
- Support for non-OSP projects
- Ability to quickly mark not funded projects
- Reports based on sponsor templates
