Conflicts of Interest – 2015 – Reporting Financial Interests and Commitments

Administrators from ORIA who handle disclosure and management of financial conflicts of interest related to research will give an overview of Cornell policy on conflicts of interest, describe the upcoming annual reporting process and consequences of non-compliance with this requirement, highlight the systems used to administer this function, and answer any questions you may have.

Feel free to send me your questions about Conflicts of Interest and the annual reporting process prior to the Roundtable session, so I can provide them to Guilaine and Bridget in advance of the Roundtable.

We look forward to seeing you Thursday, March 19!
