Best Practices for Sponsored Project Transfers

This OSP roundtable will provide an introductory overview of the transfer of a sponsored project when a PI changes institutions. We will explore this topic from a process, timeline and relationship perspective; discuss the factors that may complicate, and thus delay the transfer process; and share best practices for both incoming and outgoing awards and non-financial agreements.

Please feel free to send me your questions about Sponsored Project Transfers prior to the Roundtable session, so I can provide them to the presenters in advance of the Roundtable.

We look forward to seeing you on Thursday, June 21!
