

# Exploring the Contents of the Current and Pending Form

OSP Roundtable – May 2015

# Reasons for Current and Pending

- Is the individual overcommitted
  - The sum of the individual's effort commitments may not exceed 100%
- Does scope overlap with other projects in the portfolio
  - Overlap is when substantially the same research is proposed in more than one proposal
- Does budget overlap with other projects in the portfolio
  - The proposal cannot request funding for an item already funded by another source.
