Data Management Projects

- Cornell research metrics dashboard — completed
- Research administrators dashboard — in Beta
- Expense review (Effort Cert) — in progress
- Learning Management System — In progress
- PI dashboard — in progress
- Integrated Research Administration system — evaluating vendors
- Research project projection system — not started

RA Dashboard

- Focused on RA's needs
 - RAs heavily involved in designing dashboard
- Single place for administrator to go to answer top questions
- Integrate proposal, award, and finance reporting
- Easy to learn and use
- Provide common data-mart for PI Dashboard and ad-hoc reporting
- Formatted Current and Pending
 - ! Will be demonstrating this later in talk "

OSP Portal Retirement

- Web Portal – Award and Proposal Lookup
- Web Portal - Forms
- Brio Reports
- Data-mart for Research Proposal and Award Data
- Serves: Research Administrators, OSP Staff, Faculty, Downstream systems

OSP Portal Retirement

- Goal: RA Dashboard will be more useful and easier to use
- Goal: Functional Parity —> ~This Fall
 - Many functions already at parity
 - Answers will replace Brio Portal
 - Redeveloping forms
 - Project Change Request
 - Subcontract Request and Change Request
 - We're adding reports
- Plan to retire Web portal ~ Late 2015 or early 2016

PI Dashboard

- Single place for faculty to go for research administration
- Addresses top questions easily
- Easy to use, no learning required
- Works on mobile devices
- Enables working with RAs
- No searching or filtering needed
- View and drill navigation
