Demystifying NIH for Research Administrators

Join us at our next OSP Roundtable to learn about special considerations for research administrators regarding NIH proposals and awards. We will discuss the following topics, sharing NIH guidelines and our experiences with you to help navigate these projects.

- NIH Overview
- Budgeting
 - ✓ NIH Salary Limitation
 - ✓ Graduate Student / Postdoc Considerations
 - ✓ Single IRB
- Just-in-Time Submission
- Carry-forward of Unobligated Funds
- Research Performance Progress Report (RPPR)
- Human Subjects and Clinical Trial Form
- Post-award Prior Approval Requests

Feel free to send me your questions about NIH prior to the Roundtable session, so I can provide them to the team in advance of the Roundtable.

We look forward to seeing you Thursday, June 20th!

Thank you,

Christine
