Migrate Your Existing NSF Account

To migrate your existing NSF account to NSF's new account management system, you must verify your account's primary email address and phone number. If you created your NSF account before March 23, 2018 and your email address is associated with more than one NSF account, you will be prompted to verify information. Depending on the information on file, you may be required to contact the NSF IT Help Desk for assistance.

 You will receive a Verify Your Information pop-up. After you have read it, click "Next." (Figure 1) 	NSF is updating its account management system and we need you to verify your account information. This is a one-time process.

 Note the information that has been saved as your account's primary email address and phone number. (Figure 3) 	If you have questions, please contact the NSF IT Help Desk at 1-800-381-1532 or rgov@nsf.gov.
