Internet Town Hall meetings will be conducted Tuesday, March 17 for all PIs and other interested research related members of the Cornell community. There will be three meetings, researchers should select the link at the time most related to their work. Sign in is by SSO:

- 2:00 pm Life Sciences  [https://cornell.zoom.us/j/547901680](https://cornell.zoom.us/j/547901680)
- 3:00 pm Physical Sciences, CIS, and Engineering  [https://cornell.zoom.us/j/547901680](https://cornell.zoom.us/j/547901680)
- 4:00 pm Social Sciences, Humanities, and other fields [https://cornell.zoom.us/j/547901680](https://cornell.zoom.us/j/547901680)

The three meetings will go over the same information. It is fine if some researchers attend one of the other meetings due to scheduling issues, but we would like to spread the attendance over three sessions as much as possible.

To prepare for the Town Halls, a Qualtrics Survey is available for asking questions. These questions will be collated and answered during the Town Halls. If there is time, questions submitted by chat during the meetings will also be answered.
