Subject: Upcoming Limited Submission Competitions & Internal Deadline Extension - August 6, 2020
Date: Thursday, August 6, 2020 2:54:45 PM

To the Cornell University community,

Please make note of these upcoming limited submission funding opportunities that may be of interest. To learn more, including how to apply to the internal competitions, follow the below links.

NOTE: The deadline for the Johnson & Johnson WiSTEM2D Scholars Program internal competition has been extended to August 28, 2020.

Please be advised that the Office of Sponsored Programs is now using an online system (InfoReady Review) for applying for internal selection for limited submission funding. All applications must be submitted online and applications submitted via email will no longer be accepted. To apply for an internal nomination, applicants should follow the competition link and login to InfoReady using their Cornell netID.

FEDERAL PROGRAMS

Internal Due Date

- September 16 [NSF Innovations in Graduate Education \(IGE\) Program](#)
- November 4 [NSF Partnerships for Innovation \(PFI\)](#)

NON-FEDERAL PROGRAMS

Internal Due Date

- **August 28** [Johnson & Johnson WiSTEM2D Scholars Program](#) ***DEADLINE EXTENDED***

Follow the internal selection guidelines carefully, including adherence to page limits. Proposals not following the guidelines and/or not responsive to the interests of the sponsor may be rejected from the internal competition without review. PIs submitting applications for limited submission competitions are responsible for ensuring they meet the eligibility requirements of the program and funder.

For assistance with proposal development, including consultation on proposal strategy; identifying sponsor-specific proposal strategies; coordinating project team meetings; identification of additional campus resources; management of proposal schedule; drafting letters of commitment from Cornell and any partner institutions; and liaising between your proposal team and OSP, please [contact Research Development](#).
