

## Recurring Limited Submission Programs List

The table highlights several recurring limited submission programs. Submission deadlines are not included because sponsors' program timelines can (and often do) change and/or some programs may not be offered every year. Note: This is not an exhaustive list of recurring limited submissions funding opportunities. **Please contact Cornell Limited Submissions ([ovpr\\_limited\\_submissions@cornell.edu](mailto:ovpr_limited_submissions@cornell.edu)) if you have questions or learn of a limited submission program that is not in this list.**
